When arranging this insurance over the phone, by email, via our website or through your insurance intermediary you declared that the answers you provided were, to the best of your knowledge and belief, true and complete in every respect and that you did not make any misrepresentations. A misrepresentation is where an individual provides fraudulent, inaccurate, misleading or incomplete information. Please note that any alteration clause in the policy or any clause which refers to an alteration of risk will apply only where the subject matter of the policy has changed or altered. Any clause of the policy which refers to a material change will be interpreted as referring to changes that take the risk outside that which was reasonably envisaged by both you and us when the policy sale was concluded. If you are in any doubt as to whether there has been a change in the subject matter of the contract which changes the risk to something that we did not agree to cover, then please contact us.

Act to recover payment / Subrogation

Take proceedings at our own expense and for our own benefit, but in your name, or in the name of any other person indemnified by this Policy, to recover any payment We have made under this Policy.

Subrogation is the process whereby when you have the right to recoup damages and/or costs from another person, resulting from an incident which is covered under your policy, we, your insurer, are entitled to recover such amounts from the other person(s).

In the event that the other person involved in the incident is a family member or cohabitant, or someone who caused an insured incident when using your motor vehicle with your consent, you may have decided not to recoup any resulting damages and/or costs. In such situations we:

- may not seek to recover such amounts by subrogation if that person is not insured in respect of the incident
- may not recover an amount which exceeds what they may recover from their own insurance policy
- will not require that you give us permission to recover such amounts in order for you to be able to claim from us
- reserve the right to recover such amounts where the incident arose from serious or wilful misconduct of the other person

In the event that the other person is your employee, we will not seek to recover damages and/or costs unless the incident was caused intentionally or recklessly, and with knowledge that loss or damage would probably result.

Please note that we may not accept any claims where your policy excludes any liability which is implied by agreement, and where you have entered such an agreement which limits your rights to recover damages and/or costs from any person in relation to any incident covered by this insurance.

We will release subsequent payment(s) to You once We have obtained final invoices/receipts from You and We are satisfied

that the work has been completed and the repair costs have been incurred, as agreed with you.

Disagreement over a claim

If a dispute arising out of this policy cannot be settled between us you will refer the dispute to the Financial Services & Pensions Ombudsman – please refer to the Important Information section of this policy for contact details. Safety Precautions

Fire Prevention

Electrical Appliances

Electrical sockets should not be overloaded. The ideal is one appliance, one socket.

Replace worn flexes immediately and unplug all appliances when not in use.

Heating Appliances

Keep heaters away from furniture, curtains and bedclothes.

Never move or refuel an oil or gas heater while it is lighting.

Open Fires

Never leave a room without putting a spark guard in front of the fire.

Have your chimney swept regularly – at least twice a year.

Cooking

Keep all electrical flexes off cooker rings or hobs. Be especially careful with chip pans, they should never be left unattended on a lighted cooker.

Smoke Alarm

You should install at least one smoke alarm in your house.

At Night

Unplug all electrical appliances – especially the TV set. Close doors to all rooms as this will assist in containing fire and smoke should a fire break out.

Water Damage

Every year severe winter conditions cause pipes to freeze and burst. The ensuing water damage to your house and contents can be quite substantial. We urge you to take precautions to help reduce, or prevent, loss or damage of this nature in the winter months:

All pipes and tanks should be fully lagged. Leave the underside of attic tanks unlagged to ensure rising warmth can reach them. Inspect your cold water tank for rust/corrosion.

In Winter

Most damage tends to occur while people are away from home. If you are away for a few days, unless your heating is being left on:

Turn off the water supply at the mains and drain your domestic hot/cold water system by letting the taps run.

NB. When you return home do not light your boiler until the system is completely filled. Refill slowly to avoid airlocks.

Burglary Prevention

While your insurance covers the financial loss you suffer as a result of a break-in, nothing can protect you from the emotional trauma and shock suffered when a stranger ransacks your home and rummages through your belongings. However, there is a lot you can do to help prevent it happening in the first place.

All External Doors

Fit five-lever mortice deadlocks (or their equivalent) to all external doors and you should lock these doors even if you are out for just a short time.

All Accessible Windows

A large number of break-ins occur through windows. Fit security locks to all accessible windows, i.e. those on the ground floor or near drainpipes or flat roofs.

Going out at Night

When you go out for the evening, it's a good idea to draw the curtains and leave a light on in the living room or a bedroom. Leaving the hall light on is not a good deterrent. Keep your garage/garden shed locked. Do not leave garden implements, especially ladders, lying around. They could help a thief gain access to your home.

Going on Holiday

When you go away on holiday, cancel all deliveries, i.e. milk, newspapers etc. Give a key to a trusted neighbour and ask him or her to keep an eye on the house and to remove mail from the letterbox or hall. Inform your local Garda station that you will be away.

Making a Claim

If You have any queries or if You need any advice in making a claim just contact Us on our claims helpline number 01-6133990 which is open 9am to 5pm Monday to Friday.

When You are making a claim please note the following points:

If property has been stolen or maliciously damaged, or if you lose a valuable item, you should inform the Gardai or Police as soon as possible. You will receive the Garda report form with your claim form.

When necessary – in the case of broken windows or burst pipes for example – you should have emergency repairs carried out immediately to prevent possible further damage to your property.

If the claim includes injury to someone else or damage to their property, you should send written details to us as soon as possible. It is vital that we deal with such claims on your behalf. Any letters or documents you receive should be sent unanswered to us without delay.
